Thanks, Darcy. Good edits and questions. I've revised it further in response. I'll be on leave for the next few hours, but will check in toward the end of the day to see if you're comfortable with my sending it (after cleaning up comments and tracked changes) to the other agencies. If so I can send it tonight. Otherwise, I'll be off the first half of next week, but can send it out when I return midday Wednesday.

Thanks Mike. I've made some edits and have a couple of questions on the attached. I have a meeting from 2 to 3 and can be available before or after if you have questions.

Thanks!

**Subject:** draft letter to NRC re programmatic agreement

Hi Darcy –

Linked below is a draft letter to the NRC concerning the programmatic agreement (PA). It would be accompanied by a signed EPA signature page for the PA. The purposes of the letter are (1) to comply with the PA requirement that we transmit the signature page to various parties, and (2) briefly lay out our understanding concerning implementation of the PA. Please let us know if you have any questions or comments. Once you've taken a look, and before you sign this, we would like to send the draft to NRC and the ACHP to make sure they are comfortable with it and see if they have any suggestions. Thanks very much.
